**DECISION ON ATTORNEYS' FEES AND COSTS<sup>1</sup>**

On January 5, 2023, Kathleen and Kawelolani Puhī ("Petitioners") filed a motion for attorneys' fees and costs. Petitioner's Motion for Attorney Fees ("Fees App.") (ECF No. 42). For the reasons discussed below, I **GRANT** Petitioner's motion for attorneys' fees and costs and award a total of **\$81,694.84**.

**I. Procedural History**

On April 30, 2020, Petitioners, on behalf of K.P., a minor, filed a petition in the National Vaccine Injury Compensation Program.<sup>2</sup> Petition (ECF No. 1). Petitioners alleged that after K.P.

---

<sup>1</sup> I intend to post this Ruling on the United States Court of Federal Claims' website. **This means the ruling will be available to anyone with access to the Internet.** In accordance with Vaccine Rule 18(b), petitioner has 14 days to identify and move to redact medical or other information, the disclosure of which would constitute an unwarranted invasion of privacy. If, upon review, I agree that the identified material fits within this definition, I will redact such material from public access. Because this unpublished ruling contains a reasoned explanation for the action in this case, I am required to post it on the United States Court of Federal Claims' website in accordance with the E-Government Act of 2002. 44 U.S.C. § 3501 note (2012) (Federal Management and Promotion of Electronic Government Services).

<sup>2</sup> The National Vaccine Injury Compensation Program is set forth in Part 2 of the National Childhood Vaccine Injury Act of 1986, Pub L. No. 99-660, 100 Stat. 3755, codified as amended, 42 U.S.C. §§ 300aa-1 to -34 (2012) ("Vaccine Act" or "the Act"). All citations in this decision to individual sections of the Vaccine Act are to 42 U.S.C.A. § 300aa

received the measles-mumps-rubella (“MMR”) and the meningococcal (“MCV”) vaccines on July 13, 2018, K.P. suffered from immune thrombocytopenia purpura (“ITP”). *Id.* at Preamble. On October 27, 2022, the parties filed their stipulation, which I adopted as my decision awarding compensation on the same day. (ECF No. 37).

On January 5, 2023, Petitioners filed a motion for attorneys’ fees and costs. Petitioners request compensation for their attorney, Ms. Diana Stadelnikas, in the total amount of \$81,694.84, representing \$75,493.70 in attorneys’ fees and \$6,201.14 in costs. Fees App. at 1 - 2. Pursuant to General Order No. 9, Petitioner warrants personal costs were not incurred costs in pursuit the claim. Fees App. Ex. 3 at 1. Respondent reacted to the fees motion on January 19, 2023, stating that “Respondent is satisfied the statutory requirements for an award of attorneys’ fees and costs are met in this case.” Response at 2 (ECF No. 43). On January 24, 2023, Petitioners filed their reply requesting the Court award attorneys’ fees and costs in full as requested. (ECF No. 44).

The matter is now ripe for adjudication.

## II. Analysis

Under the Vaccine Act, the special master may award reasonable attorneys' fees and costs for a petition that does not result in an award of compensation but was filed in good faith and supported by a reasonable basis. § 300aa–15(e)(1). Here, because Petitioners were awarded compensation pursuant to a stipulation, they are entitled to an award of reasonable attorneys’ fees and costs.

Petitioners “bea[r] the burden of establishing the hours expended, the rates charged, and the expenses incurred” are reasonable. *Wasson v. Sec’y of Health & Human Servs.*, 24 Cl. Ct. 482, 484 (1993). Adequate proof of the claimed fees and costs should be presented when the motion is filed. *Id.* at 484 n. 1. The special master has the discretion to reduce awards *sua sponte*, independent of enumerated objections from the respondent. *Sabella v. Sec’y of Health & Human Servs.*, 86 Fed. Cl. 201, 208–09 (Fed. Cl. 2009); *Savin v. Sec’y of Health & Human Servs.*, 85 Fed. Cl. 313 (Fed. Cl. 2008), *aff’d* No. 99–537V, 2008 WL 2066611 (Fed. Cl. Spec. Mstr. Apr. 22, 2008).

### a. Attorneys’ Fees

In reducing an award of fees, the goal is to achieve rough justice, and therefore a special master may take into account their overall sense of a case and may use estimates when reducing an award. See *Florence v. Sec’y of Health & Human Servs.*, No. 15-255V, 2016 WL 6459592, at \*5 (Fed. Cl. Spec. Mstr. Oct. 6, 2016) (citing *Fox v. Vice*, 563 U.S. 826, 838 (2011)). It is well established that an application for fees and costs must sufficiently detail and explain the time billed so that a special master may determine, from the application and the case file, whether the amount requested is reasonable. *Bell v. Sec’y of Health & Human Servs.*, 18 Cl. Ct. 751, 760 (1989); *Rodriguez*, 2009 WL 2568468. Petitioner bears the burden of documenting the fees and costs claimed. *Id.* at \*8.

Petitioners request the following rates for the work of their counsel, Ms. Diana Stadelnikas: \$440.00 per hour for work performed in 2020, \$470.00 per hour for work performed in 2021, and

\$490.00 per hour for work performed in 2022. These rates are consistent with what Ms. Stadelnikas has previously been awarded for her Vaccine Program work and I find them to be reasonable herein.

Turning next to review of the submitted billing statement, I find that the overall hours spent on this matter appear to be reasonable. The entries are reasonable and accurately describe the work being performed and the length of time it took to perform each task. Respondent also has not identified any particular entries as being objectionable. Therefore, Petitioners are entitled to final attorneys' fees of \$75,493.70.

#### **b. Attorneys' Costs**

Like attorneys' fees, a request for reimbursement of costs must be reasonable. *Perreira v. Sec'y of Health & Human Servs.*, 27 Fed. Cl. 29, 34 (Fed. Cl. 1992). Petitioners request total attorneys' costs in the amount of \$6,201.14. This amount is comprised of acquiring medical records, the Court's filing fee, and work performed by Petitioner's medical expert, Dr. Guy Young. Fees App. Ex. 2 at 1 - 2. Petitioner has provided adequate supporting documentation for all the costs, and they appear to be reasonable upon review. Accordingly, Petitioner is awarded final costs totaling \$6,201.14.

### **III. Conclusion**

In accordance with the foregoing, Petitioners' motion for attorneys' fees and costs is **GRANTED**. I find that Petitioners are entitled to a reimbursement of attorneys' fees and costs as follows:

Attorneys' Fees Requested	\$75,493.70
(Reduction of Fees)	-
<b>Total Attorneys' Fees Awarded</b>	<b>\$75,493.70</b>
Attorneys' Costs Requested	\$6,201.14
(Reduction of Costs)	-
<b>Total Attorneys' Costs Awarded</b>	<b>\$6,201.14</b>
<b>Total Attorneys' Fees and Costs</b>	<b>\$81,694.84</b>

**Accordingly, I award the following: a lump sum in the amount of \$81,694.84, representing reimbursement for Petitioners' attorneys' fees and costs, in the form of a check payable to Petitioners and their attorney, Ms. Diana L. Stadelnikas.<sup>3</sup> Petitioners request the check be forwarded to, mctlaw, 1605 Main Street, Suite 710, Sarasota, Florida, 34236.**

<sup>3</sup> This amount is intended to cover all legal expenses incurred in this matter. This award encompasses all charges by the attorney against a client, "advanced costs," and fees for legal services rendered. Furthermore, Section 15(e)(3) prevents an attorney from charging or collecting fees (including costs) that would be in addition to the amount awarded herein. *See generally Beck v. Sec'y of Health & Human Servs.*, 924 F.2d 1029 (Fed. Cir. 1991).

In the absence of a motion for review filed pursuant to RCFC Appendix B, the clerk of the court shall enter judgment in accordance herewith.<sup>4</sup>

**IT IS SO ORDERED.**

**/s/Thomas L. Gowen**

Thomas L. Gowen  
Special Master

---

<sup>4</sup> Entry of judgment can be expedited by each party's filing of a notice renouncing the right to seek review. Vaccine Rule 11(a).
